Dear RMB Labs:

Thank you so much for making a donation to the Holmes Theatre.

All the money raised at our fundraiser Motion enables us to bring the arts to our corner of Minnesota. Local, national and international artists perform at the Holmes, but also go out into the community – to school classrooms, nursing homes, special events for adults of all ages and even to some businesses to interact with workers. So far this year (since September), we've served over 12,000 people through shows and outreach!

Your contribution helps make all this possible! For some kids in our region, the Holmes Theatre is their only contact for arts activities, live performances and opportunities to visit personally with (as one 2nd grader told me) “a real live artist”!

Thank you, again, for being part of our fundraiser. It all makes such a big difference!

Warm regards,

Thank you from the kids of our community & all of us! Your support makes a world of difference!
